

70. The agenda must address universal health-care coverage, access and affordability; end preventable maternal, new-born and child deaths and malnutrition; ensure the availability of essential medicines; realize women's reproductive health and rights; ensure immunization coverage; eradicate malaria and realize the vision of a future free of AIDS and tuberculosis; reduce the burden of non-communicable diseases, including mental illness, nervous system injuries and road accidents; and promote healthy behaviours, including those related to water, sanitation and hygiene.
