Akkur grant for ISCI

Auður Guðjónsdóttir, chairman ISCI receives the grant from Þorsteinn Jóhannesson, head of Akkur board.

Akkur, the engineers and mechanics endowment fund granted ISCI 800.000 krona.

The grant will be used in a PR project involving ISCI's infomercial "The Paralyzed Puppet". In this project the infomercial has been translated into 29 languages and been sent to the European Broadcasting Union who distributes it to TV stations in Europe, Asia and America.

We want to thank Akkur for this!
